Hi everyone,

Please pardon the weekend email. My remote access memory in my head was exhausted when I left work on Friday. I thought that if I tried this method of contact when I was less tired it might be best. Had I sent this on Friday, you all would have gotten gibberish. Hopefully, you all had a wonderful weekend!

An outcome of my generals meeting with Monisha on 10/2 was her request for the team to **deliver a timeline to share with Kimberly**. She requested **our thoughts also on having the draft through PRP** at least before it is sent to EFED. Would you all have time to discuss both timeline and draft type to send to EFED in our BEAD team meeting on 10/6? I am sorry that I won't be there to participate, but I am fine with the consensus of the group on both points. Please let me know. These are not on the meeting's agenda, but my hope is that they will fit in somewhere (perhaps #4 below).

I will be with you all in spirit at the meeting on 10/6. Here is my contribution per the agenda.
